Tuesday, November 14

There will be a Track call out meeting next Tuesday at 3:10 in the study hall room for all non-winter sports athletes. If you are interested in running Track please come to this meeting or stop by and see Mr. Harris in room 160.

Thursday, November 9

The academic team took part in their fourth conference meet yesterday evening at Franklin County High School. The team had an outstanding meet and finished in first place. The Fine Arts and Interdisciplinary teams both finished in second place. The English, Math, Science and Social Studies teams either placed first or tied for first place. Going into the last meet of the year on December 4th at Greensburg, the team is basically tied with Batesville for the overall conference title and we have five teams, who each have the opportunity to finish first in their individual disciplines.

Great Job Team! And good luck at the Greensburg meet!
