A variety of summer school opportunities are available over the summer. If you need to make up a credit (or multiple credits), please check your school e-mail and sign up using the Google Form. Any course credits that are not recovered over the summer will be added to your schedule for next school year. It is highly recommended that you use summer school if you are needing to make up credits that were not earned during the school year. Also, a short informational meeting will be held on Thursday, May 17th, 2018 right after school in the ECHS Library. Please plan to attend if you are attending summer school this year. See Mr. Lamb in room 216 if you have any questions.
