Scholarship meeting  
Friday at 7:45 in the  
PAC.**

# Tuesday, October 20

**The Academic team participated in the third conference meet of the season and posted an impressive win. The team has steadily improved its standing in conference since the first meet. They now trail Batesville by 1.5 points halfway through the season. E.C has three first-place teams, ( English, Fine Arts, and Social Studies), and two-second place teams, ( Math and Interdisciplinary). The team will next compete on Nov. 9th in the Greensburg Conference meet. Good Luck, Trojans!**
