

East Central High School

2017-18

Senior Scholarship Guide

The directory of scholarships listed span the entire school year and is provided as a guide to our students and parents for reference. Any scholarships that are added or deleted will be updated throughout the year. Deadlines are subject to change as these are guides from the previous year.

Do not limit your search of scholarships to the list provided. Be sure to check the college websites and place of employment of the student and parents for scholarship opportunities.

Note to students: Please type your applications so you have the best presentation. By typing your application your application will copy easier for selection committees and your efforts will be noted when compared to hand written applications.

May 9, 2018 will be the date of our Senior Scholarship Awards Program. If you receive notification of a scholarship please inform Mrs. Murdock so that you can be recognized at this program.

Seniors are also encouraged to take part of Senior Scholarship Committee. Senior Scholarship Committee is a group of seniors that complete fundraisers for the Senior Scholarship Program. The money that is raised along with paycheck deductions and donations that teachers in the corporation make will be dispersed at the Senior Scholarship Awards Program based on participation.

Applications and information will be emailed to the student's school email accounts. Seniors should be checking their emails weekly for scholarship information and emails from colleges.

Scholarship	Description	Due date	link	Online or in Guidance
